The Head Hunters began in 2007. A milestone in the team's success was when QB Ron Roach stepped up and became team owner 5 years ago to keep it in existence. Bubba Hense the current owner was also a player that started with the team. He and his mom Genny both work to keep the team strong.

EAST VALLEY WARLORDS

Owner/OC Steve Pappas HC/DC Jonathan Roundtree AC's Erik Reiter
Greg Belarde, Chris Hall, Aric Prickett GM Nikki Zupan, TM Myra Butler
SL Mngr Rachel Koch H2O Kewon Morrison, Zachary Doray Jr.

The Warlords began five years ago when Steve Pappas started with 14 players and built a squad that would be a playoff team in four of those years. Play in two State Championships, winning it in 2013. The Warlords opened 2014 with a victory in the first All American HQ National Championship game on January 11th with a 25-6 win over the New Mexico Wolfpack. Jonathan Roundtree joined the team three seasons ago and brought his defensive experience to help start the run into Championship territory. After the 2013 season Steve Pappas named Coach Tree as the Head Coach, and together they led the team to their first National Title. Also joining the team at the same time, with Roundtree was GM Nikki Zupan. She led the team on the field with game day management and off the field with her organization and marketing.

One week after the National Title game the Warlords opened the regular season for the AzFL's 20th year. Many players used the big game to retire and injuries hit the team hard. Coach Tree had to fill 7 defensive spots and most of the offensive line was new. The team struggled through the middle of 2014, at one point looking like they might miss the playoffs. Like true Champions, they found a way to fight their way back into the post season. Their opening round game was one of the most exciting in AzFL playoff history. A city wide black out with the Warlords on the 6 yard line preparing to tie the game in the last five minutes. When the lights came back on they scored on fourth down to tie it up on Daniel Robinson's TD grab from QB Geoff Revling. When it was all over they lost to their rivals, the West Valley Head Hunters 35-28 when QB Trey Clarida threw the winning TD to Adam Martinez for the last second win.

Congratulations to the Warlords for their amazing run. A State and National Championship in only a seven month span. We are looking forward to more great football from this amazing squad. It all began five years ago when Steve Pappas took on the state with a hand full of players and a passion for the game.

Warlords last five seasons.

Kelliya Jacquella Parks

Kelliya is performing on her 16th Birthday. We found out about her when her dad, Kelly Parks, a former AzFL player asked if she could sing at the All American HQ National Championship game on January 11th of this year. She did and wowed the crowd and eventual National Champs EV Warlords of the AzFL.

She is one of three sisters, the middle child and a sophomore at McClintock HS. She has a 4.0 gpa and has been the honor roll all through school. She plays basketball and volleyball and has won numerous awards for academics, athletics, plus she is in a variety of school clubs.

Kelliya started singing early for family but started at sporting events this year and most enjoyed doing it for Miracles League for her niece's special needs basketball game. When she finishes HS she will attend Howard University and study Intelligence to prepare for her Air Force career in same field or in Linguistics.

According to her dad, she gets her voice from him. She however, remains unconvinced. The Arizona Football League is proud have her sing once again at an event. This time her voice will be LIVE on the Radio for the Arizona Sports Network's broadcast of it's 20th State Championship.
